In the event of a delayed arrival of which we have not been notified, the rental/location shall become available 40 hours after the arrival date specified on the booking contract. After 40 hours have elapsed and where no written notification has been provided, the booking shall be null and void and the campsite management shall retain the down payment. No discounts shall be granted for a delayed arrival or early departure. In the event of a cancellation within 30 days of the arrival date, the campsite management shall retain the down payment.
